

HANA

HISTORIC ARLINGTON NEIGHBORHOOD ASSOCIATION

Fellow HANA resident,

On Tuesday, January 17th at 7:00 pm at Arlington Heights Historical Museum, the Annual Neighborhood Meeting of HANA will be held. The purpose of this meeting is to review our efforts in 2011, discuss plans for 2012, and elect new board members and officers. We encourage all neighbors to attend the meeting, even if you can't join the board. It is important to have as many neighbors as possible to provide input to HANA.

As you know, HANA is a volunteer organization, representing 600 homes. Currently, the HANA Board including officers is comprised of 8 individuals, which represents 1 % of the HANA households. As a Board we have been extremely fortunate to have a core group of enthusiastic neighbors who have volunteered for numerous projects and events through out the year.

HANA is looking for an infusion of new Board Members to bring fresh ideas and excitement to the neighborhood. There is no doubt that a strong neighborhood organization builds friendships, improves safety, and increases home values.

During 2011 HANA provided or helped organize:

- Neighborhood Newsletters
- The HANA website

- Email updates regarding the community
- Creation of HANA Facebook Page
- Neighborhood Service Directory
- Neighborhood Garage Sale
- Neighborhood Summer Picnic
- Frontier Days Sandwich Booth
- Community Garden for the benefit of Wheeling Food Pantry
- Participation in the 4th of July parade
- Neighborhood Make a Difference Day
- Neighborhood Sales of Winter Greens
- HANA Old Fashioned Christmas

If you have an interest in shaping and participating in the direction of HANA please attend your Annual Meeting on January 17th.
